April 2010 Newsletter

Well our 2010 season has started here at Alpine Meadows Golf Course. For those of you that haven't gotten back from down south or have not been to the course yet, there have been several changes in personnel. Jim Eldridge, who after 14 years of dedicated service as head of the greens crew will not be returning to AMGC to work, but rather to play golf and enjoy his past efforts with golf clubs in hand. You'll see Jim on the course playing golf now instead of on a mower. If you see him, be sure and thank him for his dedicated years of service to AMGC.

Shane Homan, a long time member of AMGC, is running the Clubhouse and will be restocking the pro shop with some great golf equipment. Stop in and say hello to Shane and welcome him as the new manager of AMGC Clubhouse and pro shop.

We are changing our OLCC license at AMGC and it will only allow us to serve beer and wine only. Hard alcohol will not be available on a daily basis at the clubhouse, but will be made available on special occasions such as tournaments.

Susan Dobson will be doing the cooking on each Men's day beginning April 22nd with hot meals. Susan will also be providing a hot meal on Ladies day once a month at their monthly meeting. Susan will also be furnishing AMGC with deli type sandwiches that will be available everyday along with hot dogs and other treats.

Where's Kenny? Kenny will be going outside and heading up our grounds crew and continuing the great tradition that Jim has gotten us used to, that is a great looking and playing golf course. Kenny & Sue will still be living on site at the AMGC Hilton.

TEE BOXES??? Well, AMGC will no longer have Women and Men's tee boxes. Instead we will have Front, Middle and Back tee boxes, each with two sets of tees, one for the front and one for the back nine. The Front, Middle and Back tee boxes will be distinguished by Joseph, Wallowa and Enterprise school colors. Each of the three tee boxes will be rated for both women and men. So go at it and it's your choice to play whatever set of tees you wish. OGA will be sending us a temporary rating in a few days and then they will be doing an on site rating on Monday, July 19, 2010. As soon as we get the temporary rating from OGA we will be making up new scorecards, so bare with us.

Mike Crawford, Jim Eldridge and Jody Marcum have volunteered to coordinate and hopefully start a Men's Organization at AMGC to enhance Wednesday night league play and Thursday's men's day activities.

Scotchball is being rejuvenated at AMGC starting with a Golf and Dinner Day for all members on Sunday, May 16th. Come golf and then enjoy a catered dinner at 6 PM by Susan Dobson and enjoy the evening company of other members.

The AMGC Ladies organization will be rejuvenating our golf course with flowers and their handy work at many of the tee boxes. So give them the right of way when you see them out their getting their hands dirty and be sure and thank them for their contribution. Thanks a bunch Ladies!!!

PROJECTS... - Finish the clubhouse siding and make our clubhouse area more appealing inside and out

- Build new middle box on #2
- Build new front tee box on #9
- Continue our work towards attaining the Lake project funds

We will be holding our regular board meetings on the 3rd Tuesday of each month at 6 PM at AMGC. Come join us....

CYCLE OREGON ... Cycle Oregon will be coming to Enterprise on Sunday, September 12th. AMGC will be renting them our golf course and driving range for their first overnight stop. This is the same weekend as Mule Days. Play will be affected on Friday, Saturday, Sunday and Monday September 10th, 11th, 12th and 13th.

Our course will be open on Friday, September 10th until 3 PM.
Our course will be open on Saturday, September 11th until Noon
Our course will be closed all day, September 12th
Our course will be reopen on Monday, September 13th at 2 PM

Cycle Oregon will be bringing in a support crew of some 20-semis and 2000 riders.

If you haven't already, give Kim your email address and this newsletter can be emailed to you rather than being mailed, saving us some \$\$\$.

Also, be sure and check out the AMGC website at www.alpinemeadowsgolfcourse.com

And Finally a WORK DAY is scheduled for SATURDAY - MAY 8TH at 9 AM at the golf course!!! Appreciate any and all help from the members.
